

2022 ANNUAL REPORT

MISSION STATEMENT

Ohm Radio provides listener-supported, non-profit, non-commercial, locally-produced programming dedicated to serving Charleston, SC with a wide range of community perspectives. We operate in a nonpartisan, nonsectarian manner. We believe that democracy cannot flourish when only a few have access to the media, so we aspire to be a forum for voices and points of view that are underrepresented in our community's existing media. Our goal is to inform and empower listeners to play an active role in Ohm Radio and in the Charleston community. Our programming promotes the arts, equality, peace, sustainability, democracy, health, and social and economic justice. Because we believe that knowledge is power, we work diligently to bring rich educational resources to our listening audience.

VALUES

The values that guide Ohm Radio as an organization are best characterized as nonpartisan, nonsectarian, democratic, educational, egalitarian, truth seeking, and transparent.

Fridays at 2PM

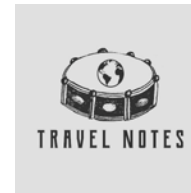

Total Devastation will focus on a full spectrum of emotional phenomena with an emphasis on the overlap of post punk/ new wave with earlier hip hop around the late 70s and early 80s. A large portion of Total Devastation will involve the 5 boroughs of NYC, but we'll travel all over listening to artists who were among the first pushing for originality. There will be current indie hits with several layers of rhythm with elements of nearly every genre. Interesting factoids and artistic connections abound. Join Angry Dave every Friday.

"I love the variety of music on OHM radio. It's refreshing to hear different types of music than what you normally hear on the radio, shared by so many different voices."

- CHRIS CARRON, VALUED LISTENER

"Just a brief note of appreciation for another year of outstanding listening pleasure. To all members of OHM Radio, to all those that make it possible, a special 'thank you' for your continued dedication to the local of music and the truth in news reporting"

- MICHAEL R. PATRICK, VALUED LISTENER
